

THE QUICKEST, EASIEST PROFESSIONAL CANOPY

IDEAL FOR:

- TENT HIRE COMPANIES
- BARBEQUES
- ENTRANCE CANOPIES
- PARTY TENTS
- CATERING AREAS

CLEARSPAN STRUCTURES - no centre poles or guyropes means you have a totally free central area. Our Marquettes can be erected on all surfaces including tarmac, paved or concreted areas.

SIZES – with 2.3m eave as standard.

Square tents - 3 x 3m
 4.5 x 4.5m
 5m x 5m
 6m x 6m.

LIGHTWEIGHT AND STRONG - Channelled aluminium frame with galvanised steel joints gives durability and strength, keder lock eaves means the fitting time is minimal. The centre peak is suspended from cross wires for ease of assembly.No special skills or equipment are required.

ROOFS AND WALLS - White PVC roofs and curtain side walls with centre zips to all sides come as standard, available in many colours; all packed in protective bags as standard. Canvas, stripes or nylon is also available on request.
