

**A POPULAR SYSTEM,
COMPATIBLE WITH LEADING
MANUFACTURERS**

IDEAL FOR:

- MARQUEE HIRE COMPANIES
- EVENTS INDUSTRY
- BANQUETING HALLS
- CONFERENCE AREAS
- PARTY TENTS
- SMOKING SHELTERS

CLEAR SPAN FRAME MARQUEES - features

- Free central area with no centre poles or guyropes.
- Erected on all surfaces including tarmac, paving or concrete.
- Can be built over existing structures, guttered together, added to buildings and accommodate changes in levels.
- High quality channellised aluminium frame with galvanised steel joints gives durability and strength.
- Framework components are highly interchangeable, maximising the flexibility of the system and minimising stock management.

CONTINENTAL FRAME TENTS - are fully compatible with Marquee Manufacturers such as Roder, Tectonics and Custom Covers.

SIZES - From 3m to 12m spans with add on sections (bays) in 3m lengths.

QUICK AND EASY TO ERECT - Lightweight, no special skills or equipment is required.

ROOFS and WALLS – White, PVC roofs and curtain side walls with centre laces to all sides. We offer windows and gutters as optional extras.
